

# Welcome to Flight Service

---

We hope the information provided here helps you more easily access our services.

## Toll-Free Number for Pilots in Alaska

Pilots can now call 1-833-252-7433 (1-833-AK-BRIEF) to connect with an Alaska Flight Service hub facility.

Previously, some pilots faced difficulties reaching Flight Service when calling 1-800-WX-BRIEF due to network provider issues. The Alaska-specific number was implemented for easy access and to ensure reliable connectivity.

Alaska's regional hubs — Juneau (JNU), Fairbanks (FAI), and Kenai (ENA) — will continue to operate with their existing toll-free and local numbers. Pilots using the new number can select which hub to call.

We encourage Alaska pilots to begin using this number for seamless access to Flight Service in Alaska.
